

NYONG, LILIAN ETOK

REGISTERED NURSE/TELEHEALTH MEDICAL COMMUNICATION OFFICER

PROFILE/PROFESSIONAL SUMMARY

An energetic, self-motivated Nurse and a leader, dedicated to achieving optimal standard patient care and looking for an opportunity to working in a top notch facility with a commitment to innovative processes. I have strong passion for bedside nursing and individualized patient care. During my years of service, I have been opportuned to work in fast-paced hospital settings that gave me the chance to learn stress management and team work ability.

A Registered Nurse with experience in paediatric nursing and telehealth. Skilled in patient assessment, health education, medication counselling, virtual client support, care coordination, and clinical documentation. Experienced in managing high-volume client interactions, collaborating with multidisciplinary teams, and delivering patient-centred care across both hospital and digital healthcare settings. Currently pursuing a Bachelor of Nursing Science (BNSc) with a strong interest in telehealth, digital health, and patient experience.
